CHESS IN GRAZ

Information about playing opportunities for adults

Chess is fun, exciting, and great training for your brain!
Every move is a small puzzle, and every game is a big adventure.

Why play chess?

- Sharpen your focus
- Learn to solve problems
- Build strong logical thinking
- Develop clever plans –
and turn them into victories!

What do you need?

Just curiosity and the joy of playing! Chess clubs are happy to welcome anyone who wants to drop by and join in.

For whom?

For everyone — no matter the age or skill level, from complete beginners to experienced players and experts!
